Dear Parents / Carers of Year 6,

**Year 6 Swimming**

As you may already be aware, there are national curriculum requirements for swimming and water safety at the end of Key Stage 2 outlined below. Children now have to be able to swim 25 metres proficiently, use a range of different strokes and perform safe self-rescue.

Obviously a number of children met this requirement during their swimming lessons in Year 5. To ensure we have a more up to date record could you please answer the questions below and return to school by Tuesday 8<sup>th</sup> May. If you have evidence from out of school swimming sessions, please let us see a copy.

This will help us to identify which children in the current Year 6 cohort need additional swimming provision. The school will then analyse the information and may provide additional swimming lessons to meet the statutory requirements.

Thank you for your continued support.

Yours sincerely,  
*Mrs J MacGovern*
