

'Learning together, loving others, guided by God'

Heene Church of England (Aided) Primary School
Headteacher: Mrs Jo MacGovern

Monday 8th May 2017

To Parents and Carers of Children in Year 5,

Over the coming weeks, as part of our Science and PSHE curriculum, we will be delivering SRE (sex and relationship education) lessons.

As part of this unit of work, the school nurse will be coming in to work with the children to deliver a session on puberty and body changes. Children will be using the correct terminology for the reproductive system and associated body parts.

We would like to invite you as parents and carers into school on Thursday 18th May at 2.30pm. This will allow you to view the powerpoint presentation that the school nurse will share with the children and associated teaching materials.

Thank you for your continued support.

Yours sincerely

Joanne Beer
KS2 Phase Leader
