To Parents and Carers of Children in Key Stage 2

## **READING AT HOME**

In school, we have been talking to your child about the importance of reading at home and recording these reads in their reading journals.

As part of your child's homework, it is expected that children are completing **at least 4 sessions of reading a week** and recording which books they read in their **reading journals**. These journals are then collected in once a week by your child's class teacher and checked. Where possible we expect the children to record their own comments in their reading journals before being signed by an adult at home.

Every time your child completes 10 reads, they are given a raffle ticket which is entered into a prize draw. This gives the children an opportunity to win their own book.

As you are probably aware your child's reading ability will dictate their academic outcomes in the future and if they are not reading at the expected level for their year group this will disadvantage their learning in other subject areas.

We would greatly appreciate your support at home to ensure that this part of their homework is being carried out as required and that reading journals are in school on a daily basis.

Thank you for your continued support with your child's education.
