Co-op Local Community Fund 'Heene Helping Hands'

Dear Parents / Carers,

Some fantastic news! Heene Helping Hands have put together a bid for Co-op Local Community funding. I'm so pleased to announce that we have been successful and selected to receive funding from the Co-op Local Community Fund. It means that we will get a contribution towards our project (see outline below). But we need your help. The more support we get, the more funding we could receive. So if you're a Co-op Member log in to your Co-op Membership account and choose us. If you're not a member, please join and support us! Particular thanks go to Sarah Cotsford who wrote the bid on their behalf.

Issy Davies and myself attended the launch at the Rowlands Road branch on 21st September (see the photo below). We are now asking you and your families to do your bit!!

1. Log on to your existing membership account or set up an account with the Co-op.
2. Choose 'Heene Helping Hands' as your local cause.
3. Every time thereafter that you use your membership card, 5% goes to you and 1% to HHH.
4. The current giving period runs from 21st September 2016 to 18th March 2017.

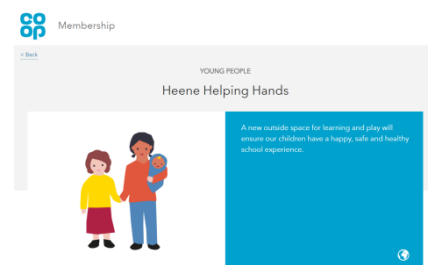

The project bid:

This year, we are funding a project to improve the children's outside space. The school has recently been extended. Following a successful campaign by the school and parents, land for a new outside space has been secured but we now need to raise additional funding to cover the cost of a new play area for sports, playtime and outside learning in an expanding school. The school is keen to get exciting ideas from parents and children as to what they feel is needed in a new outdoor space and plans will be drawn up and approved. This is a chance for Heene Primary School to have a fun, creative and educational playground for many children to enjoy over the coming years.

Many thanks for your continued support.
