

# Year 4 – Food

## Design and bake scones

### 3 things that I should already know:

1. That food comes from the UK, Europe and beyond
2. How to follow a recipe
3. How to be safe when using an oven

### 3 things that I will learn:

1. About the seasonality of food in the UK
2. How to measure ingredients accurately
3. How to evaluate by doing a taste test

### Think:

Does your scone look appetising? How could you improve the appearance?

Cheese scone

Fruit scone

Plain scone

### Vocabulary:

<b>Recipe</b>	Instructions about how to make a food item
<b>Savoury</b>	A food item that is salty or spicy, rather than sweet
<b>Measure</b>	To check the weight or amount
<b>Taste test</b>	To eat a food item to check the flavour and texture, and compare to other items
<b>Appearance</b>	How something looks
<b>Seasonality</b>	Foods that are available or grow at specific times of the year
